

Specification Change Notice

Super CH Series Illuminated Pushbutton Switch

We would like to inform you that specification of HOUSING will be changed after October 1, 2015.
No change in external dimensions and part number. The details are as follows.

Change of HOUSING

- (1) Spring surface finish inside of a Housing improved and changed from silver-plated to gold-plated.
Thereby it prevent oxidation of spring at the time of long-term storage.

- (2) Make a small hole in both sides (Four places).
Thereby it reduces defective continuity and contact damage which caused by the inhalation of dust floating in the air on the panel.
