

Specification Change Notice

KC Series Lighted Pushbutton Switch 【LED】

We would like to inform you that specification of LED will be changed after January 1, 2013.

No change in external dimensions and part number. The details are as follows.

●REFERENCE RESISTANCE(Ω) LED Color: Super White (16)

Before Change	
Color	Super White
Voltage	
DC5V	560
DC12V	3000
DC24V	6800
Current value (mA) (reference values)	3

After Change	
Color	Super White
Voltage	
DC5V	910
DC12V	4700
DC24V	11000
Current value (mA) (reference values)	2

Please be sure to use the appropriate resistor.
